Category A, stocked in each of the following periods:
October (once), November or December (once), January or February; (once), March (twice), April (twice), and May (once).

Category B, stocked in each of the following periods:
November or December (once), January or February (once), March (once), and April-May 15 (twice).

Category C, stocked three times between October and April 30.

- * National Forest Waters
- + Douthat stocked as Category A, Wilson as Category B put-and-take water after fee fishing season
- DH Delayed Harvest Water-Special Regulations apply, please refer to article on Delayed Harvest, this issue.
- (NSF) These waters **do not** receive fall & early winter stockings
- ** A section of these waters is reserved for a fee fishing area
- (H) These waters will receive a stocking for the "Heritage Day" program. Heritage Day is April 2. For details see the section explaining Heritage Day in this magazine.

Stocking information for put-and-take stocking can be obtained by calling **1-434-525-FISH (525-3474)**. The recording is updated after 4:00 p.m. each day fish are stocked. Or go to our Web site at **www.dgif-virginia.gov**.
